B. Particular Accessory Uses: In any residential zoning district, each of the following uses shall be considered an accessory use to the extent described, without being separately listed in the Land Use Tables, provided in each case that the use is incidental to the property's use as a dwelling and does not alter the character of its use as a dwelling of the character permitted in the respective district:

1. The renting of rooms, providing of board, or both, for not more than three unrelated persons, where no care is provided.

Property is not allowed to have more than four unrelated residents at any time. Contact officer to set up appointment time for interior inspection.

Upon correction of this violation(s), the responsible party; being resident, tenant, owner, or manager, licensee or other person having control over a structure or parcel of land, must maintain the property in compliance or face possible fees, fines, and any such enforcement as permitted by this code.

Responsible party must provide contact information to this department. Contact area code enforcement officer #33 at 229-4917 to supply your current phone number, e-mail address, fax number, or additional mailing address.

As the property owner(s), you will be responsible for all costs incurred to correct this condition. A 15% percent administrative fee shall be added to the costs of the contract price. You will be notified of a public hearing to be conducted by the City Council to review the costs, and their decision shall be final and conclusive. If you disagree with the assessment of Neighborhood Response, then within ten days after service of the notice of violation, the owner or responsible party may appeal to the City Council. Such appeal shall be in writing and shall be filed with the City Clerk. Within fifteen days after the appeal has been filed, the appellant shall be given written notice of the procedure and time frame for the hearing of the appeal. The appeal shall be heard by the City council or by the Council's designee, with a right of final appeal to the Council. The decision of the City Council or the Council's designee, in cases where a designee hears an appeal and no further appeal is taken, shall be final and conclusive. An owner or responsible party failing to appeal as provided in this Section shall be deemed to have waived any and all objections to the existence of a public nuisance and the abatement of such nuisance. Failure to appeal will constitute a waiver of all rights to an administrative hearing and determination of the matter.
